## Nazi wehrmacht uniform for sale

We use cookies for the best online experience. If you're happy with this, find more here. Home German WW2 Militaria WW2 German uniforms in this part you will find our range of WW2 German uniforms worn in the Third Reich by various services of the German armed forces in WW2, Oberkommando des Heeres (German Army), Oberkommando der Marine (German Navy) and Oberkommando der Luftwaffe (German Air Force). We have wehrmacht uniforms worn by ordinary heer/foot soldiers, we also have a department for German officer uniforms, and several specialized departments for panzer crew uniforms and Waffen SS uniforms. We also have sections for German Navy crew uniforms, and also a department for Luftwaffe uniforms worn by flight crew and paratroopers/Fallschirmjäger units. We also have Nazi uniforms worn by the Allgemeine SS, and we have supplied many films and theatres with our precise reproductions. A special section was created for German smoke and uniforms with numerous camouflage patterns such as Splinter, Oakleaf, Tan and Water, Dot Peas and Plane Tree, which cover all armed services. © 2018 Epic Mil. Waffen-SS head tunic Waffen-SS head tunic Waffen-SS head tunic. It follows a strong costume and fades. Sell it like we found. All insignia is missing, but the tracks are still visible. His left pocket has a nod to carry the prizes. On the washer is a label from the tailor Friedrich Wittmann Nuremberg. Inside the pocket is the name label where the buyer's name must be specified. Unfortunately... Wehrmacht Heer or Luftwaffe cold weather park in Splittertarn camouflage. Along with the hood and all the original buttons attached. Non-binding parka with blue-gray silk lining. The park is in a costume condition, with a nice, light stone color. Generally good condition with only a few minor holes and also one injury at the end of the left cuff due to the costume. Marked with... Wehrmacht Heer tunic, end of the war issue. Unique tunic made of thin woolly gabardine with reinforced shoulder/bust area and waist. It's very difficult to name a model. Previously encountered and similar in cut tunics came on only as waffen ss types, but these tunics have had their special features and incisions for waffen SS tunics. Our tuna... WW2 German tropical T-shirt, DAK. It's a virtually unused situation. Interestingly, because of the economics of the cloth, the right sleeve cuff is made of other color cloth, but the same in line. There's a repair at the bottom of the shirt - a piece of cloth was inserted from 10 to 20 cm, most likely the repair was done after the war, due to the fact that the shirt was that... Brace buttons with unit number 20 for Hitler's youth jacket RZM M5 / marked. Zinc. Also suitable for Wehrmacht braces tunic with company number Braces buttons with unit number 14 for hj jacket. RZM M5 / 249 is marked on the inverted. Zinc. Also, suitable for wehrmacht braces with company number SS-VT black tunic SS-Oberscharführer Hasselwander, 1. Sturm Sturmbann N - Nuremberg. The tunic was never in the hands of a collector and came to the market from the family, who found it hidden on the underpass of an old house they had bought in the Munich area. The tunic is in excellent condition, the size is about 48-50 for a slim image. There's no trace of moths, and I... Parade or marching pants for Wehrmacht artillery that was on the list or officer's staff. The trousers are made of grey (Steingrau) diagonal barricaded trikota with red artillery tubes. The pants are 105 cm long, 86 cm in waist. There are several holes left in the moth. Well-worn case. Wehrmacht armored personnel carriers for officers. Private purchased. The trousers are made of quality black wool by tailor. The pants are in excellent condition with traces of footwear.
